Photograph/Media Permission 2022-23

Throughout the year it is customary for GPCA staff to take photographs of special events such as the first day of school, fieldtrips, or special programs. These photographs may be used for our yearbook, class newsletters, end of the year program slide show, or various different places. GPCA very rarely puts a name under these photographs if used to protect our students. The only area that a name would be placed under a students picture is in our yearbook. To save time throughout the year, we have decided to include a Photo/Media Permission slip in our enrollment packet. If you have any questions as to the intent of GPCA in regards to photographs, please do not hesitate to contact the school office.
